Open the URL

<https://school-education.ec.europa.eu>.

In the upper right corner, click on „Create account“.

The screenshot shows the homepage of the European School Education Platform. The browser address bar displays <https://school-education.ec.europa.eu/en>. The header features the European Commission logo, a language selector set to 'English', a 'Login' button, and a 'Create account' button which is circled in red. A dark blue navigation bar contains links for Home, About, Insights, Development, Recognition, Networking, and eTwinning, along with a search bar. Below the navigation bar is a large blue banner with abstract geometric patterns. A light blue box contains a welcome message and a 'Register' button. At the bottom, a dark blue footer displays a statistic: '735.729 people registered'.

To get started please choose one of the registration options below:

Important

Do you have an existing **eTwinning** and/or a **School Education Gateway** account?

If **yes**, please check the email address listed in your eTwinning or on School Education Gateway profile. (In case you have an account on both platforms, please check your eTwinning account.)

In order to keep all the activities and projects carried out in the past, please make sure that the same email address set in your EU Login account is the same as the email address set in your eTwinning or School Education Gateway account.

If you don't know how to check the email address of your eTwinning or School Education Gateway account, please [check this article](#).

The page header includes "EU Login" with the tagline "One account, many EU services", a language selector set to "English (en)", and links for "Create an account" and "Login". The main heading is "Create an account". The form includes a "Help for external users" link, and fields for "First name" (eTwinning-Student), "Last name" (Austria), "E-mail" (etwinat.student@gmail.com), and "Confirm e-mail" (etwinat.student@gmail.com). The "E-mail language" dropdown is set to "English (en)". A checkbox is checked, with the text "By checking this box, you acknowledge that you have read and understood the [privacy statement](#)". At the bottom, the "Create an account" button is circled in red, next to a "Cancel" button.

You will now be informed that you are eligible to apply for eTwinning. For our purposes, choose “Join eTwinning”. [If you have skipped this step, see 13a]

eTwinning is an even more exclusive part of the platform, where users can communicate, learn, and cooperate in online projects. Only the following “Member types” (see step 12) are eligible for eTwinning:

- Teachers and head teachers /principals
- Student teachers and teacher trainers
- Careers councilors
- ICT coordinators
- Librarians
- Pedagogical advisers
- School psychologists

The screenshot shows a web browser window with the URL <https://school-education.ec.europa.eu/en/esepp/join/etwinning/confirm>. The page header includes the European Commission logo and the text "European Commission". The navigation bar contains links: Home, About, Insights, Development, Recognition, Networking, and eTwinning. A search bar is also present. The main content area is titled "European School Education Platform" and features a status message box with a green checkmark icon, stating "Status message: The changes to your profile have been saved." Below this, a blue button reads "Register on the European School Education Platform". The main heading is "You are eligible to apply for eTwinning". Underneath, a section titled "Why you should join eTwinning" provides information about the platform's benefits. At the bottom, there are two buttons: "I don't want to join eTwinning" and "Join eTwinning", with the latter being circled in red.

You are eligible to apply for eTwinning

Why you should join eTwinning

eTwinning has created a school without borders, a common educational space for teachers and pupils. eTwinning promotes school collaboration in Europe through the use of information and communication technologies by providing support, tools and services to project schools.

The portal also offers online tools for teachers to find partners, launch projects, share ideas and best practices. Thanks to all individual tools, each member of the community can build interesting and useful partnerships with teachers throughout Europe in an easy, convenient and quick manner.

If you haven't immediately completed the eTwinning registration, you can still do this afterwards. It is important that you have a Teacher Education organisation in your profile and the correct member type. Then you can click on the three points of the organisation and choose "Apply for eTwinning".

Only the following "Member types" (see step 12) are eligible for eTwinning:

- Teachers and head teachers /principals
- Student teachers and teacher trainers
- Careers councilors
- ICT coordinators
- Librarians
- Pedagogical advisers
- School psychologists

The screenshot shows the eTwinning user interface. At the top, there are three tabs: 'Organisations' (highlighted in light blue), 'About', and 'Projects'. Below the tabs, the text 'Organisations (0)' is displayed on the left, and a dark blue button labeled 'Add organisation' is on the right, circled in red. Below this, there is a section titled 'Organisations (1)' which contains a card for an organisation named 'Torbalı C ve Tekniil'. The card shows a profile picture, a three-dot menu icon, and a dropdown menu with four options: 'Set default', 'Edit Role', 'Apply for eTwinning' (circled in red), and 'Leave organisation'. Below the dropdown, the card displays the following information: 'Default: No', 'Member status: Pending', and 'eTwinning validation status: Non eTwinning'.

Some more information is required for the eTwinning registration:

- First of all, you need to add your University / College. Please select **Austria** under “Country” and then the Austrian Bundesland under “Region”. Then click on the button “Search organisation” → this opens up a search box.
- In the search box you can start typing a part of the name e.g. “Steiermark” and you will be able to choose **Pädagogische Hochschule Steiermark**. (please try different iterations of the name, since some colleges might be entered as “PH” and others as “Pädagogische Hochschule” etc.)
- Additionally, if you are currently in placement in a school (Praktikum), you may also enter the school you are currently a part of. This would enable you to create eTwinning projects with other schools, involving your pupils. However, this is optional – if you are not in placement (or do not wish to enter it), you may unclick the check-box.

What you don't see:

Your friendly National Support Organisation (eTwinning NSO) sees in the platform background (the so-called NSO Desktop) that you have registered for eTwinning.

Since you've chosen Austria as your country, this comes to the Austrian NSO.

The screenshot shows a web browser window with the address bar displaying "NSO Desktop | ESEP" and the URL "tion.ec.europa.eu/en/nso-desktop". The page header features the European Commission logo and navigation links for "EN", "English", "Mail", and a user profile for "Vesna Babaja". A dark blue navigation bar contains links for "Home", "About", "Insights", "Development", "Recognition", "Networking", and "eTwinning", along with a search bar labeled "Search for content". The main content area is titled "European School Education Platform" and shows a breadcrumb trail "Home > NSO Desktop". Below this, the "NSO Desktop" section has tabs for "Overview", "Registrations", "Projects", "News", and "Team". The "Overview" tab is active, displaying a "To do list" section with the subtitle "List of not validated registrations, projects waiting for approval, new quality labels and prizes". This section contains two summary cards: "Registrations (2)" and "Projects (0)". Under the "Registrations (2)" card, the entry "eTwinning-Student Austria" is visible.

19

What you don't see:

The NSO sees the organisation you have entered and checks that you are indeed a student at that organisation – either through a list provided by your professor/lecturer or by asking you for proof of matriculation.

Once this is confirmed, they click on validate.

Only **now** are you able to use your eTwinning account.

(Please note that profile validations can only occur during office hours – so late-night, last-minute registrations are unfortunately not possible).

The screenshot shows the eTwinning-Student Austria profile page. The breadcrumb trail is: Home > NSO Desktop > Registrations > Etwinners > eTwinning-Student Austria. The profile is for a 'STUDENT TEACHER' with a status of 'Waiting for validation' (indicated by a green dot). The ID is # 771013 and the registration date is 28.11.2022. There is a 'Block account' button. The 'Schools' tab is selected, showing a list of schools. The first school listed is 'Pädagogische Hochschule Steiermark'. The school's details are: Organization type: School, Organisation status: eTwinning validated, Member type: Student Teacher, Member status: Pending, Added on: 28.11.2022, Default school: Yes. A dropdown menu is open next to the school name, showing 'Validate' and 'Reject' buttons. The 'Validate' button is circled in red.
